CURTEICHOLOR® 3-D NATURAL COLOR REPRODUCTION (REG. U.S. PAT. OFF.)

It's the only time I get down  
to this area so when I  
go for my 2-3 times  
the weather has been very good.  
Warren and I have participated  
around forty years just riding  
and watching the waves pull in  
Boston -  
Edwin  
I will be over  
all this soon
