Dear Marion Frank,
I got your letter for a week for a
rest. I'll be glad to talk to you
he hasn't been well. We
went over to N. J. last week
but had to come home the
next day - too much for me.
Now surprised to hear about
Dorothy & the grave been very
much further away. I hope
they will be better, now. I hope you
rather will be out to visit us
soon. We have missed you &
miss. Will write a letter soon.
Love
Ann & Ed
