POSTCARD

Dear Brother: Aug 16, 1944
 We looked and looked for
 a letter to day. Didn't get one
 so we will write a line any
 how. Leon was home Wed and
 Thurs. Drove Mr. Kinebrenner
 home. Was not home Wed eve.
 and says all are so well.
 Harold's heel almost healed
 and your mother just fine. Tom
 said he was surprised to find
 her so well. He had such a
 grand visit home.
 How do write soon. We
 know you have so many to
 write but look anyhow. Love
 Leon & Leon
